THE EVENING DISPATCH.

PROVO CITY, DEC. 3, 1895

A \$25.00 Doll given away at the Smoot Drug Company. Call and get particulars.

The Enquirer of this city never gets its news right if by publishing them wrong it can injure or cast odium upon the character or reputation of persons not of its clique. The Dispatch has been embarrassed financially, and part of its plant had to go under forced sale. That is true. But it was needless upon the part of the Enquirer to publish the broken lie that the "hit" in the sale was occasioned because that some claim was made to the material leased from Wm. P. Silver to Joseph T. McEwan, only to cast obloquy upon Mr. McEwan's business integrity and honesty. Mr. McEwan leased that material, it is separate and distinct from any property claimed or owned by the parties who sold this Dispatch plant. The only question was whether title to the whole Dispatch plant, including the job department could, be given by the parties selling, as Mr. McEwan claimed to have purchased the plant of this Dispatch job department. And that matter is now in a fair way of amicable settlement. The Dispatch has had difficulties, but it has never been dishonest, and no claim is made to the title of any person's property leased and used by Mr. McEwan or anybody else.

SINCE Friday's issue of THE DISPATCH which contained our last report of court proceedings much routine work has been done. We are unable to give a complete report of it. In the Norman vs. Hutchins case the jury was declared the valid one and Mr. Norman given possession of the land and \$2.00 damages. John Schmidt of Mercer was convicted of assault. Sentence of Norman Bean postponed. Brownlee pleaded not guilty of libel. Jury in the Mike Murnane vs. Dan D. Sullivan, suit for possession of house and other property given in security for money borrowed, parties of Eureka is still out. Sam Brown was convicted of unlawfully operating a distillery.

REAR and Lewis, republicans of the new council and all of the democrats except Newell were out last night, interested spectators at the circus performance of the dying republican city council.

The Enquirer need not fast itself nor try to intimidate, all because of its failure to secure the contract to publish the list of delinquent tax-payers. Unfortunate circumstances have come in the path of THE DISPATCH and the Enquirer may glow in all its diabolical glee over that, but the men who made the contract to publish with Collector Openshaw will abide by that contract to the letter and publish the list in accordance therewith and legally, at whatever cost.

GEORGE JAGERS gave thanks for a big 10-pound republican boy who arrived at his home on Thanksgiving Day. Mother and child doing nicely.

AN IMPORTANT OFFICE.

To properly fill all office and functions, it is important that the blood be pure. When it is in such a condition the body is almost certain to be healthy. A complaint at this time is catarrh in some of the various forms. A slight cold develops the disease in the head. Droppings of corruption passing into the lungs bring on consumption. The only way to cure this disease is to purify the blood. The most obstinate cases of catarrh yield to the medicinal powers of Hood's Sarsaparilla as if by magic, simply because it reaches the seat of the disease, and by purifying and vitalizing the blood, removes the cause. Not only does Hood's Sarsaparilla do this but it gives renewed vigor to the whole system, making it possible for good health to reign supreme.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh; which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

In the Morning

Dull Headaches and Pains

Sarsaparilla Perfectly Cured

Mr. R. A. Gouwenans

As well known as general merchant and postmaster of S. Holland, Ill. He writes: Allow me to express my sincere satisfaction with Hood's Sarsaparilla. For years I was afflicted with sick headaches arising from disordered stomach and impure blood. Every morning I had dull pains in my head.

I tried family medicines of various names and descriptions, all failing to produce the desired result. I had heard and read much about Hood's Sarsaparilla, and

Hood's Sarsaparilla Cures finally concluded to give it a fair trial. In a short time my appetite improved, my headaches ceased, and the dull and despondent feeling gave way

to a more cheerful spirit. Hood's Sarsaparilla is the best known preparation to purify the blood, tone up the system and produce an enormous appetite. R. A. Gouwenans, South Holland, Illinois.
